

Final assessment Map your supply chain! You have one week until next lesson.
look for the information you need at the following link:

<https://www.allthingsupplychain.com/category/amazing-supply-chain/>

Use Tour Builder to map the various steps of the supply chain, describing them briefly: <https://tourbuilder.withgoogle.com/>

You will have about 8 minutes to show and explain your work to the whole class.
So, look at your work and think how you would describe it:

o are there useful words you don't know? o Make a list of words or phrases you need. o Use L1 if you don't know a word, then look it up in a bilingual dictionary.
Your work must be: ✓ complete: it contains all the parts and information useful and relevant; ✓ organised: it links information together.
